AMENDED IN ASSEMBLY APRIL 9, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 2022

Introduced by Assembly Member Medina

February 20, 2014

An act to amend Sections 4532, ~~4533~~, and 4534 of, and to repeal Section 4534.1 of, the Government Code, relating to public contracts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2022, as amended, Medina. Public contracts: Target Area Contract Preference Act.

The Target Area Contract Preference Act establishes a preference for contracts for goods or services that are in excess of \$100,000 for contractors that certify that a specified percentage of the hours worked on a contract will be performed on a worksite in a distressed area, as defined.

This bill would redefine a distressed area to be a census tract that is determined *by the Department of Finance* under a specified statute to be in the top quartile of census tracts for highest unemployment and poverty. ~~The bill would prohibit these preferences from being used to award any contract to a certified small business or disabled veteran business enterprise.~~

Existing law establishes a preference for contractors who certify that they will use a specified amount of persons with a high risk of unemployment, as defined, on a contract.

This bill would redefine persons with a high risk of unemployment to include, but not be limited to, a person that has been unemployed for

a specified period of time, a veteran who served in active duty since September 11, 2001, a person who has been incarcerated, or a person who receives benefits of the Supplemental Nutrition Assistance Program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
